Wed 14th Oct: Bathurst Cup

Our own version of Bathurst, thankfully our doesn't attempt to cover 1000km! We do need to make a final decision on this year's course which we will advise of.

We may need a hand with timing if anyone is available to do that.

Wed 21st Oct 2026: King and Queen of the Mountain and Club Meeting with Mike Halliday from Auckland Athletics

With daylight savings starting at the end of September, we have a full month in October of Wednesday night events. To ensure we can fit everything in we are moving the King and Queen of the Mountain to Wednesday 21st.

As with previous years meet at the club at 6:30. We will then make our way down to the start by the bridge before the Sugar Works. For those who have not competed in this event before. We go from the bridge to the top of Colonial Road at 5 second intervals with fastest time wins.

The King and Queen of the Mountain will be followed at 7:30, or as close to 7:30 as we are able, by Mike Haliday from Auckland Athletics. Mike is coming to talk to the club about his role and to share with us what Auckland Athletics goals are for the future, particularly in relation to club development, and to get input from us.

Wed 28th Oct: Graeme Wells Bush Bash

Our annual running of the Graham Wells Bush Bash during which we remember life member Graham, his love of our local bush tracks and his contribution to Calliope.

Graeme was one of those people that every club needs and makes every club stronger. Never flashy, not often at the front of the pack, but always there and always contributing. Graeme's love of running was born from the global jogging boom of the 1970's which saw many businesses participating in business house runs. He joined Calliope loving the comradery of the Club, and in particular participating in club and interclub relay races. As is noted in In Black and White Graeme would run himself to exhaustion and could often be found face down in the ditch at the end of his relay leg. To be sure, he was not alone in that. A particular joy of Graeme's was running the various bush tracks in and around the Kaipatiki area. It is this love of bush running and Calliope which have combined for our annual Graeme Wells Bush Bash, a run in which we don't honour the fastest, but rather the joy of the contest and of simply getting out there and taking part…. and getting closest to your estimated time of course.

Graeme was Calliope Club Secretary in 1982 and 1983, and Treasurer for eleven years from 1987 to 1997. He was awarded the Roger Weatherly Cup, an award presented by the club for meritorious work behind the scenes in 1981, 1988 and 1992.

Graeme was ultimately made a Life Member for his contributions to the club as a competitor, and for his many years of service as an administrator.

Sadly, in his later years Graeme suffered from Parkinson's Disease and was able to participate less and less. He continued to attend club nights as often as he could, for as long as he could until he went into care. We remember Graeme for his unique running style - it's fair to say you could always tell it was Graeme emerging over the horizon, his gentleness, his smile and his laugh, and for being a wonderful and supportive club member.

Sun 8th Nov 2026: Arataki Trail Run

Bryn and Mum Niki have signed up to do the Arataki Trail Run. I'm sure they'd love to see others from Calliope there.

Note that if this is something you'd like to do it'd be worth pooling with others. The event starts at the Arataki Centre which has car parking limited to the first 40 vehicles.

More details on this event can be found here… https://www.trailruns.org/arataki

Sat 21st Nov 2026: Rage Against Riverhead

Fiona is keen for a Calliope team to participate in the Rage Against Riverhead event, an event her and Martin have enjoyed in the past. If you are keen to be involved let us know, either by speaking with Fiona or emailing us at calliope.birkenhead@gmail.com.

Calliope News:

26th Sep 2026: Cole Murray Cape Kidnappers Trail Run

Recently our South Island representative Malcom Fisher competed in the Cole Murray Cape Kidnappers Trail Run and sent us this write-up, as it was a wonderful event that others in Calliope may be interested in attending next year.

For the record Malcom finished 2nd in the 70+ Unspottable's in 7:14:10!!

Thanks for letting us know Malcolm, and congratulations on competing the 34K.

I had the pleasure of participating in this annual event on Saturday, 26 September, organised by Total Sport. I thought I'd drop a note and a few pics because I think a few Calliopians would love to give it a go next year.

There are four options and I chose the longest one, 34km of ups and downs involving over 1000m of elevation. I got off to a bad start, arriving at the starting point 10 minutes after the 34km runners had taken off, and I'm really grateful that I was able to still participate in the longer event rather than being downgraded to the 21km offering.

7th October 2026

After a while I caught up with Tail End Charlie, who had been advised a late-comer was on the way. What a nice surprise to find Tail End Charlie was none other than Aucklander Alan Fish, long time participant of adventure events and lengthy runs, including Nelson's mid-winter marathon. By now half- marathoners were streaming past, and it would have been easy to get carried away with inappropriate effort. Much nicer to move along at chatting speed with Alan and enjoy the scenery.

The weather was superb, scenery spectacular, and drink stations well furnished. The whole course was on private land, a lot of it within the protection of a predator-proof fence. For seven hours I traversed land I had never seen before, and when I finished most competitors had left the scene. Slow as I was, I was 2nd in the 70+ group (80+ wasn't in the mix).

As is usual with Total Sport events there was a good supply of beer, and it was great to catch up with Aaron Carter again, the creator of Total Sport. My first involvement in Total Sport events was the inaugural Dual marathon on Rangitoto/Motutapu about 16 years ago, and after that I used to be a keen participant in many of their events. Ànd my wife, Alwyn, used to regularly help with Dual marshalling on Rangitoto.

I hadn't taken part in a Total Sport event since the final dual, and it was lovely to participate again. Aaron and I reminisced about the Coastal Challenge, and I was asked if I could come to the 25th. But maybe now, that's too much of a challenge!

3rd Oct 2026: National Road Relay Championships:

Steve Fairley capped an outstanding year personally with victory as part of the victorious Owairaka Men's 70+ road relay team at the National Road Relay Championships last weekend. This is Steve's 2nd New Zealand title of the year having also taken out the Men's 70+ title at the New Zealand Cross Country Championships earlier in the year.

Simon Mace was a member of the Owairaka Men's team who finished an agonising but worthy 4th in the Masters Men's 35+ event knocking out an very solid 43 minutes for his 12km leg.

Congratulations guys on a couple of great performances, and well done Steve, 2 New Zealand titles in a year is a wonderful achievement!

Division	Club	Athletes	Distance	Athlete Time	Team Time	Overall
Masters Men 35+	Owairaka	Simon Mace	12K	0:43:49	4:20:33	4
Masters Men 70+	Auckland University	Steve Fairley	4.5K	0:20:30	1:21:56	1

Mud Monkeys:

Ever ones for an adventure, Chris M and Lionel have started a club called Mud Monkeys aimed at providing more adventurous running experiences. This is an opportunity to explore tracks and trails near to home and further afield that you might not otherwise do or would prefer to do as part of a group.

For more information on this visit their website, https://mudmonkeys.nz/.

Special Interest Talks:

We'll have to come up with a name for these. Wednesday Waffle doesn't seem right. Vicki has proposed that once a month we have a member or invited guest talk to the club about an event or topic of interest. This need only be 10 – 15 minutes depending on the content with suggested topics being:

- Running overseas;
- Training experiences;
- Equipment;
- Lessons learned;
- Memorable or humorous running experiences; or
- Specialist knowledge relevant to runners.

Pete C has put his hand-up to be the first volunteer. I know there are many others who have interesting experiences and stories the rest of the club would be keen to hear. We will publish a list of upcoming talks once we have dates confirmed and reach out for other volunteers.

Thanks Vicki for the fantastic initiative, and thanks Pete C for volunteering to lead us off.
